- 1— Attach the USB cable from your Computer to the Makey Makey.
- 2— Search on the web “Makey Makey”.
- 3— Open “Makey Makey Joylabz Official Site” and select “Apps”.
- 4— Select “Plug and Play Apps”.
- 5— Select “New Piano” and press “Play”.
- 6— Select 6 pieces of Fruit or Vegies that are Conductive (test first).
- 7— Attach double ended Alligator Clips to the Conductive Fruit or Vegies on one end and to the Makey Makey on the other, in the following order left to right.
Left Arrow, Up Arrow, Right Arrow, Down Arrow, Space & Click.
- 8— Ensure you place an Earth/Ground Wrist Strap around your wrist to have both hands free to play or hold on to the Earth Wire and play with the other hand.

- 9— Experiment by playing around and change the Instrument type, Number of Keys etc. on the App screen to play 21 various Instruments, by touching your Conductive fruit or Vegies, like the keys on a keyboard.
- 10— CONGRATULATIONS and have Fun playing with your Fruit or Vegie Keyboard.
